What is the Bald Eagle Bash?

It's the Alabama Gulf Coast's best outdoor Party for Preservation.
It's fresh Gulf shrimp prepared by the area's best chefs and restaurants.
It's a low country shrimp boil, and desserts by area bakers.
It's beer from local breweries, and a great selection of wine.
It's live music by one of the best bands around!
And it's all in one of the most beautiful settings on the coast.

Why support South Alabama Land Trust?

We live in an amazingly-beautiful place, and we are committed to helping protect our quality of life for this and future generations. As a nationally accredited land trust, we protect land at the water's edge so that clean water and protected coastal lands and habitats will be a part of our future--forever. Since 1990, we have protected more than 10,500 acres in Mobile and Baldwin counties, and more is planned for 2022!
