What is the Bald Eagle Bash?

It's the Alabama Gulf Coast's outdoor Party for Preservation with live music. It's fresh Gulf shrimp prepared by the area's best chefs and restaurants. It's a low country shrimp boil, and desserts by area bakers. It's beer from local breweries, and a great selection of wine.

Why support?

As a nationally accredited land trust, we protect land at the water's edge so that clean water and protected coastal lands and habitats will be a part of our future--forever. Since 1990, we have protected more than 11,000 acres in Mobile and Baldwin counties, and more is planned for 2023.
